

AAGP members, grant professionals, friends, and business colleagues may contribute to the profession by financially supporting our organization's mission. The Grant Professionals Certification Institute (GPCI) is dedicated to strengthening the nonprofit sector's ability to pursue and maintain public and private sector funding by promoting competency and ethical practices within the field of grantsmanship. GPCI accomplishes its mission through the identification of grant professionals who display outstanding expertise and ethical practices as measured by a psychometrically valid and reliable assessment tool.

Your generous contribution provides support for GPCI and individual scholarships for the credentialing exam
