

Eligibility Packet Template

Please provide the information requested for your Eligibility Packet so that GPCI may evaluate your qualifications as a potential GPC. Use the attached forms to submit your application packet. The registration process includes the following four phases.

1. **Eligibility Survey**. As indicated on our website (www.grantcredential.org), everyone must complete the electronic survey; the five-minute process helps determine – at least initially – whether you are likely to be eligible to sit for the exam and should proceed with the development of an Eligibility Packet.
2. **Payment**. Once your eligibility is confirmed and payment has been processed, you will receive an email with directions for how to submit your Eligibility Packet; please follow those instructions.
3. **Eligibility Packet**. The information to be submitted to GPCI, as seen in the attached template/forms, includes the following:

4. **Review.** The Eligibility Packet will be reviewed by a panel of grant professionals from throughout the country. This process is completed as noted on the [Registration Timeline](#). At least three reviewers will be included on each candidate’s packet; should their independent scores vary substantially; the packet is referred to a fourth reviewer.

Candidates whose packets do not meet the standards set by the GPCI Board of Directors are informed via email by the Chair of the Exam Administration Subcommittee. Candidates are free to submit a revised packet at any time; however, the delay in correctly submitting a packet likely will delay a candidate’s ability to receive approval.

We strongly encourage applicants to:

- ✓ **Carefully** review the criteria in this template
- ✓ **Complete** all points fully
- ✓ Include letters from **multiple** sources (e.g., current employer, past employer, multiple clients)
- ✓ Review the [Frequently Asked Questions](#)
- ✓ **Ask specific questions** by emailing the committee at info@grantcredential.org

Pathway 1

Pathway 2

1. Attach a copy of your paid GPC exam fee. Evidence is receipt generated once exam fee has been paid.
2. Attach a current resume indicating education, employment history, and civic/community involvement relevant to the field of grants and/or philanthropy. In particular, your resume should **clearly delineate** whether a degree(s) was conferred or training completed, any postsecondary experience, and the number of years or timeframe for each professional/work experience, and **clear** information documenting your work as a grant professional.
3. Attach a copy of degree(s) or transcript(s) indicating a degree was conferred (**if applicable**) or your training was successfully completed.

6. Please attach three **signed** letters of reference with your packet. While your letters may come from anyone you choose – employers, clients, partner groups – we ask that they meet the following criteria:
- ✓ **Current date.** Undated or outdated letters will not be considered.
 - ✓ **Current purpose.** We do not consider letters originally written for another purpose (e.g., congratulatory letters received in the regular course of your work, award letters, etc.).
 - ✓ **On point.** Letters should relate to your professionalism.
 - At least one of the letters should document your years of experience in the grants field and/or the number of grant awards you have received. Letters documenting your community activities and/or volunteer activities are acceptable. The letter from each organization should document the purpose of the organization, the capacity of your community/volunteer role, the dates of participation and types of service provided.
 - It should be apparent that the writer was aware of how the letter was to be used and deems the GPC candidate deserving of certification as a grants professional based on the work or service provided.
 - ✓ **From different organizations.** Letters should be from at least two organizations. Packets that include letters from a single organization or agency will be deemed unacceptable.
 - ✓ **Electronic submission.** Signed letters should be submitted electronically; electronic signatures are acceptable as long as the letter is on the organization's letterhead or includes some other type of organizational verification. Under certain circumstances, a waiver of the electronic submission of letters may be requested by emailing the Chair of the Certification Committee (info@grantcredential.org).
 - ✓ **Original Letters.** Finally, the Review Team has the **right to reject any packet submitted with letters that are in whole or substantial part templated**. While we appreciate the practicality of ghost-written letters for grant purposes, here we require original letters that support each candidate's professional standing within the field.

Documentation of Grants Experience

7. Each GPC candidate must have a minimum of five grant awards within the past seven years.
Please list five of your grant awards over the past seven years.
