

GPCI Accepted Education Point Tracker 2025 GPA GrantSummit Conference

The Grant Professionals Certification Institute (GPCI) offers this form as a way for you to track the GPCI Education Points you have earned during the 2025 Grant Professionals Association (GPA) Grant Summit. Please note that GPCI will require you to list the title of all of the sessions you attend, not just the flat number of points for the conference. GPA is a participant in the GPCI Accepted Education Program. The education points you earn at this conference can be used to meet the new requirement for anyone renewing their GPC in 2021 or later. **The new requirement states that at least 20% of your education points must come from GPCI Accepted Education opportunities.**

Using this form: Enter the POINTS box for each full Live/Virtual session you attend. Do not enter more than the points allotted for each Live/Virtual session.
